

Katy Perry - Hot N Cold (Album: One of the Boys (2008))

!!! Capo: 5th fret !!! [132 bpm] KEY: G Major

[D | A | C | G] (repeat Chords for song)

You change your mind, Like a girl changes clothes

Yeah you, PMS, Like a bitch, I would know

And you over think, Always speak, Cryptically

I should know, That you're no good for me

Cuz you're hot then you're cold, You're yes then you're no

You're in then you're out, You're up then you're down

You're wrong when it's right, It's black and it's white

We fight, we break up, We kiss, we make up

(You) You don't really want to stay, no,

(You) But you don't really want to go

You're hot then you're cold, You're yes then you're no

You're in then you're out, You're up then you're down

We used to be, Just like twins, So in sync

The same energy, Now's a dead battery,

Used to laugh 'bout nothing, Now you're plain boring

I should know, That you're not gonna change

[CHORUS]

Break: Bm G D A (x2)

Someone call the doctor, Got a case of a love bipolar,

Stuck on a roller coaster, Can't get off this ride

D A C G

You change your mind, Like a girl changes clothes

[CHORUS – 1st half only]

[CHORUS – full repeat]
