

Morgan Wallen - Sand In My Boots (Album: Dangerous (2021))

!!! Capo: 3rd fret !!! - Key: Eb

[Intro]: C , F , Gsus G, C

C /E F, Gsus G, C (C/B)

She asked me where I was from, I said "Somewhere you never been to"

Am F, Gsus, G,

Little town outside of Knoxville, Hidden by some dogwood trees

She tried talkin' with my accent, We held hands and waded into

That blue water, She left her flip-flops by my Red Wings on the beach

C, C /E, F, C

Yeah but, now I'm dodging potholes in my sunburnt Silverado

F, C, Gsus, G,

Like a heart-broke Desperado, headin' right back to my roots

C, C /E, F, C

Somethin' 'bout the way she kissed me tells me she'd love Eastern Tennessee

F, C, Gsus G, C

Yeah, but all I brought back with me was some sand in my boots

I said "Let's go shoot tequila", So we walked back to that beach bar,

She said "Don't cowboys drink whiskey?", So we drank bottom shelf,

She said "Damn, that sky looks perfect",

I said "Girl, you've never seen stars like the ones back home",

And she said "Maybe I should, see 'em for myself"

[Chorus]

[Break] - Am C F, F (x2)

C /E F, Gsus G, C (C/B)

I said meet me in the mornin', And she told me I was crazy,

Am F, Gsus, G,

Yeah, but I still thought that maybe she'd show up

[Chorus]

[Outro] C , F , Gsus G, C
