

Morgan Wallen - You proof (Album: Dangerous: (2021))

BPM: 65 { Key: A }

D | D | F#m | A (repeat Chords for whole song)

Yeah, I've been throwin' down the whiskey
I oughta get my money back
And someone said it drowns a memory
Ah, but it ain't doing jack
Yeah, I've been sippin', I've been buzzin'
Shootin' doubles like it's nothin'
Ah, but nothin' makes you go away

I need something you proof

**Somethin' stronger than I'm used to
Yeah, I've been pourin' ninety to a hundred
Feel like nothing's gonna cut it, that's the hard truth
Yeah, I need something you proof
Oh, I need something you proof**

Poured 'em up 'til they're shuttin' 'em down, yeah
You never ain't not around, yeah
Don't matter what time, what town
I can't get you gone, Turn the bar/ yeah, upside down
Just looking for somethin' that does it/ I give 'em all my money

**Ain't nobody sellin' nothing you proof
[CHORUS]**

Hey, I've been mixing liquors tryin' to get you gone
Ah, but I must be doin' somethin' wrong
'Cause I've been working hard to fade your memory
Baby, but the only thing faded is me

[CHORUS]

*(you never ain't not around) (Don't matter what time, what town)
(I can't get you gone) (Turn the bar, yeah, upside down);
(Just looking for somethin' that does it) ... (I'll give 'em all my money)
(Ain't nobody selling nothing you proof)*
