

The Killers - For Reasons Unknown (Album: Sam's Town (2006))
!!! Capo: 3rd fret !!!

[F | F | C | G]

I pack my case. I check my face.

I look a little bit older. I look a little bit colder.

With one deep breath, and one big step,

I move a little bit closer. I move a little bit closer.

[F | F | C | G , E]

For reasons unknown. I caught my stride. I flew and flied.

I know if destiny's kind, I've got the rest on my mind.

Pre-Ch:

[Am | F | C | G , E]

But my heart, it don't beat, it don't beat the way it used to.

& my eyes, they don't see you no more.

& my lips, they don't kiss, they don't kiss the way they used to,

& my eyes don't recognize you no more. (..at all.)

Chorus: [C | F | Am | G]

For reasons unknown (x2)

[F | F | C | G , E]

There was an open chair. We sat down in the open chair.

I said if destiny's kind, I've got the rest on my mind.

[Pre-Chorus]
