

**The Neighbourhood - Sweater Weather** (Album: I Love You. (2013))  
**!!! Capo: 3rd fret !!! [ 118 bpm ] KEY: G Minor**

**[ C | Am | Em | G ] (repeat Chords for song)**

And all I am is a man, I want the world in my hands  
I hate the beach, But I stand in California with my toes in the sand  
Use the sleeves of my sweater, Let's have an adventure  
Head in the clouds but my gravity centered  
Touch my neck & I'll touch yours,  
You in those little high waisted shorts,  
Oh, she knows what I think about, And what I think about,  
One love, two mouths, One love, one house,  
*No shirt, no blouse, Just us, you find out,*  
*Nothing that I wouldn't wanna tell you about, no*

**Ch: 'Cause it's too cold... For you here, & now,  
so let me hold... Both your hands in the holes of my sweater**

& if I may just take your breath away, I don't mind if there's not much to say  
Sometimes the silence guides a mind, To move to a place so far away  
The goosebumps start to raise, The minute that my left hand meets your waist  
& then I watch your face, Put my finger on your tongue cuz you love to taste,  
These hearts adore, everyone the other beats hardest for,  
Inside this place is warm, Outside it starts to pour  
Coming down... One love, two mouths,  
One love, one house, No shirt, no blouse,  
*Just us, you find out, Nothing that I wouldn't wanna tell you about,*  
*No, no, no...*
