He said I was in my early forties with a lot of life before me

Em D / C

and a moment came that stopped me on a dime

G / Cadd9

I spent most of the next days looking at the x-rays

Em D / C

talking 'bout the options and talkin' 'bout sweet time

Em B7/D#

I asked him when it sank in if this might really be the real end

G/D C C D

How's it hit 'cha when you get that kind of news, man what'cha do

G / C

I went sky diving, I went rocky mountain climbing

Em D / C

I went two point seven seconds on a bull named Fu Man Chu

G B7 Em D

& I loved deeper and I spoke sweeter & I gave forgiveness I'd been denying

C D

& he said some day I hope you get the chance to live like you were dying

He said I was finally the husband, that most the time I wasn't

Em D C

And I became a friend, a friend would like to have

G Cadd9

And all of a sudden going fishin', wasn't such an imposition

Em D C

And I went three times that year I lost my dad

Em B7/D#

Well I finally read the Good Book & I took a good long hard look

G/D C C D

at what I'd do if I could do it all again & then...
