

# **Cracker – Low** ( Album: Kerosene Hat (1993) )

**[ D | C | E | G ]** (*repeat Chords for song*)

Sometimes I wanna take you down

Sometimes I wanna get you low

Brush your hair back from your eyes

Take you down let the river flow *reminisce-of-the-days-of-old*

Sometimes I go and walk the street

Behind the green sheet of glass

A million miles below their feet

A million miles, a million miles

**Chorus [x2]:**     **Being with you girl Like being low**  
                          **hey hey hey... like being stoned**

A million poppies gonna make me sleep

Just one rose and knows your name

The fruit is rusting on the vine

The fruit is calling from the trees

Hey don't you wanna go down

Like some junkie cosmonaut

A million miles below their feet

A million miles, a million miles

**[CHORUS ]**

Blue blue is the sun

Brown brown is the sky

Green green of her eyes

A million miles a million miles

Hey hey don't you wanna go down

Like some disgraced cosmonaut

A million miles below their feet

A million miles, a million miles

**[CHORUS]**
