

Dawes - Hey Lover (Album: Stories Don't End (2013))

[C | F] (*repeat Chords for song*) {*or capo3: A | D* }

Someone plays a solo on a saxophone

Oh, you've never seen somebody throw their head so slow

And I see her cringe your lips and drop an ear that way

Scratch a dog behind its ear and it might do the same

CH: Hey Lover, hey Lover

Hey Lover, hey Lover

Blue and white racing stripe pick-up truck

And when did I decide to grow this beard and gut

Well, I may be white but I don't like my people much

But I want to raise with you and watch our younglings hatch

F'ing make the first letters of their first names match

[CHORUS]

Well I'm back into the boring life that I once led

Stuffing white spread a'hole on a sofa bed

Sometimes I hate myself for trying to be so bold

But nothing ever seems to get this story told

[CHORUS]

I never tell her when she plays a song I never heard

Because I always learn the music and forget the words

But I want to ride with her and I wish I sung that well

(Em) Just copy, paste, Google search, **(F)** and send it to myself
