

Death Cab for Cutie - Soul Meets Body (Album: Plans (2005))

!!! Capo: 5th fret !!! [If no capo: (Dm) (F) (C)]

Am (Dm) C (F) **(repeat Chords for verse)**

I want to live where soul meets body
And let the sun wrap its arms around me
And bathe my skin in water cool and cleansing **[G] [(C)]**
And feel, feel what its like to be new

Cause in my head there's a greyhound station
Where I send my thoughts to far off destinations
So they may have a chance of finding a place
where they're far more suited than here

(guitar Riff – see Tab)

I cannot guess what we'll discovered
Between the dirt with our arms cut like shovels
But I know one filthy hand can wash one another's
And not one speck will remain

Am(Dm) C(F) G(C) Am(Dm) C(F) G(C)
I do believe it's true, That there are roads left in both of our shoes
If the silence takes you, Then I hope it takes me to
So brown eyes I hold you near, 'Cuz you're the only song I want to hear
A melody softly soaring through my atmosphere

Where soul meets body [x 3] Am -> G (Dm -> C)

[chorus]

A melody softly soaring through my atmosphere [x4]

TABLATURE: Riff: (with capo):

```
