

Cold War Kids - First (Album: Hold My Home (2015))

[G | D | A | A] (*repeat Chords for song*)

Cheated and lied, broken so bad
You made a vow, never get mad
You played the game, though it's unfair
They're all the same, who can compare?
First you lose trust, then you get worried
Night after night, bar after club
Dropping like flies, who woke you up?
On the front lawn, sprinklers turn on
It's not your house, where'd you go wrong?

First you get hurt, then you feel sorry

**Flying like a cannonball, falling to the earth
Heavy as a feather when you hit the dirt
How am I the lucky one, I do not deserve to wait around
forever when you were there first**

First you get hurt, then you feel sorry

There comes a time in a short life
Turn it around, get a rewrite
Call it a dark night of the soul
Ticking of clocks, gravity's pull
First you get close, then you get worried **[CHORUS]**

First you get hurt, then you feel sorry

You're growing silent, the silent treatment
It's not inviting now, but don't deny what you meant
You get excited, you get excited
You got a feeling, oh, at least you can pretend
You wanna light it, you wanna light it
You wanna light it now, the candle from both ends
You get excited, you get excited

CHORUS [x2]

First you get close, then you get worried[x4]

You wanna light it, [x3] , the candle from both ends [x2]
