

Maroon 5 - She Will Be Loved (Album: Songs About Jane (2002))

!!! Capo: 1st fret !!!

Bm **A** **Bm** **A**
Beauty queen of only eighteen, She had some trouble with herself
He was always there to help her, She always belonged to someone else

I drove for miles and miles, And wound up at your door
I've had you so many times but somehow I want more

D5 **A** **Bm** **G5**
I don't mind spending everyday, Out on your corner in the pouring rain
Look for the girl with the broken smile, Ask her if she wants to stay awhile
And she will be loved She will be loved (D5.....)

Tap on my window knock on my door, I want to make you feel beautiful
I know I tend to get so insecure, It doesn't matter anymore

It's not always rainbows and butterflies, It's compromise that moves us along
My heart is full and my door's always open, You come anytime you want

[chorus] And she will be loved She will be loved

Bm **A** **Bm**
I know where you hide, Alone in your car

A
Know all of the things that make you who you are

Bm **A** **Bm**
I know that goodbye means nothing at all

A **G**
Comes back and begs me to catch her every time she falls...yeah

Tap on my window knock on my door, I want to make you feel beautiful

[chorus] And she will be loved She will be loved
