

Flo Rida - WHISTLE (album: Wild Ones (2012))

Am, F, C, G

(repeat Chords for song)

**Can you blow my whistle baby, whistle baby, Let me know
Girl I'm gonna show you how to do it, And we start real slow
You just put your lips together, And you come real close
Can you blow my whistle baby, whistle baby, Here we go**

I'm betting you like bebop, And I'm betting you love freak mode
& I'm betting you like girls that give love to girls, & stroke your little ego
I bet you're guilty your honor, But that's how we live in my genre
When I hell I pay the Rottweiler, There's only one flo, and one rida
I'm a damn shame, Order more champagne,
pull a damn hamstring, Tryna put it on ya

Bet your lips spin back around corner, Slow it down baby take a little longer

[chorus]

Whistle baby, whistle baby, [x2]

It's like everywhere I go, My whistle ready to blow,
Shorty don't even know, She can get any by the low,
Permission not approved, It's okay, it's under control,
Show me soprano, cause girl you can handle,
Baby we start snagging, you come in part clothes,
Girl I'm losing wing, my bucatti the same road,
Show me your perfect pitch, You got it my banjo
Talented with your lips, like you blew out candles
So amusing, now you can make a whistle with the music
Hope you ain't got no issue, you can do it
Give me the perfect picture, never lose it

[chorus]

Whistle baby, whistle baby, [x2]

Go girl you can work it, Let me see your whistle while you work it
I'mma lay it back, don't stop it,

Cause I love it how you drop it, drop it, drop it, on me

Now, shorty let that whistle blow,

Yeah, baby let that whistle blow

[chorus]
