Intro: (riff)

[G | G | Em | C] (repeat Chords for Verse)

Let us burn one, from end to end.

And pass is over to me my friend.

Burn it long, but burn it slow,
to light me up before I go.

G Em

If you don't like my fire, then don't come around.

D C G

Cause I'm gonna burn one down.

D C G

Yes I'm gonna burn one down

My choice is what I chose to do;

and if I'm causin no harm, it shouldn't bother you.

Your choice is who you chose to be;

and if your causin to harm, then your alright with me.

[chorus]

Herb the gift, from the Earth,

and what's from the earth is of the greatest worth.

So before u knock it, try it first.

and you'll see it's a blessing and it's not a curse.

[chorus]
