

## Imogen Heap - Hide And Seek (Album: Speak for Yourself (2005))

**A , E, F#m, D**

where are we? what the hell; is going on, the dust has only  
just begun to fall crop circles in the; carpet, sinking, feeling  
spin me around again and rub my eyes; this can't be happening  
when busy streets a mess with people would stop to;

hold their heads heavy **[D]**

**A , E, F#m, F#m**

**hide and seek**

**D, E, F#m, F#m**

**trains & sewing machines** (*ooh you won't catch me around here*)

**A , E, Dmaj7, Dmaj7**

**all those years** { *blood & tears* }

**D, A, F#m, E**

**they were here first**

oily marks appear on walls; where pleasure moments hung before  
the takeover, the sweeping; insensitivity of this still alive

**[Chorus]**

**D, A, F#m, E**

***Mwhat you say; oh that you only meant well, well of course you did***

***Mwhat you say; mm that it's all for the best, of course it is***

***Mwhat you say; that IT'S JUST what we need, you decided this***

***Mwhat you say; what did she say?***

**bridge:**

**A E, F#m E**

***ransom notes keep falling at your mouth***

***mid-sweet talk, newspaper word cut outs***

***speak no feeling no I don't believe you***

***you don't care a bit you don't care a bit [x2]***

Oh, no, you don't care a bit

Oh, no, you don't care a bit

Uh-uh, you don't care a bit

You don't care a bit
