

Jason Derulo – whatcha say (Album: Whatcha Say (2009))
(song from: Imogen Heap - Hide And Seek)

[D | A | F#m | E] (repeat Chords for song)

Chorus:

Mwhat you say; oh that you only meant well, well of course you did

Mwhat you say; mm that it's all for the best, of course it is

I (I) was so wrong (wrong) for so long (long)

Only tryin' to please myself (myself)

Girl, I (I) was caught up (up) in her lust (lust)

When I don't really want no one else

Oh, no, I know I should've treated you better

But me and you were meant to last forever

So let me in (let me in) give me another chance (another chance)

To really be your man

'Cause when the roof cave in and the truth came out

I just didn't know what to do

But when I become a star we'll be living so large

I'll do anything for you

[Chorus] x2

How could I live with myself, Knowing that I let our love go?

And ooh, what I'd do for one chance, I just gotta let you know

I know what I did wasn't clever

But me and you were meant to be together

So let me in (let me in) give me another chance (another chance)

To really be your man

[Pre-Chorus]

[Chorus] x2

Girl, tell me whatcha said (said)

I don't want you to leave me, Though you caught me cheatin'

Tell me, tell me whatcha said (said)

I really need you in my life, 'Cause things ain't right, girl (x2)

[Pre-Chorus]

[Chorus]
