

Miike Snow- Genghis Khan (Album: iii (2016))

Dm, Dm, F, G

I know there's no form, And no labels to put on
To this thing we keep, And dip into when we need
And I don't have the right, To ask where you go at night
But the waves hit my head, think someone's in your bed

Dm, F, Bb, F

**I get a little bit Genghis Khan, I don't want you to get it on
With nobody else but me, With nobody else but me**

And the lights, they glow, Like I just lost the whole world
And the scene slips away, To the evenness I fake
It's a cheat that I share, Cause I don't really want you, girl
But you can't be free, Cause I'm selfish, I'm obscene

[CHORUS]

I wanna make up my mind

But I don't know myself

No I don't know myself x3

[CHORUS]
