

**The Head and the Heart - Missed Connection** (Album: Living Mirage (2019))

**(No capo, standard tuning. Key: C ) 85 bpm**

**Am C G F**

If I never come through, Yes it haunts me  
Sunny days I'd miss you, Yes it haunts me

First you see it, then you feel it, now I'm caught  
And we're making our own thing  
Now I'm following you out to the coast  
If I never come through, If I never come through

**Am C F C**  
**Don't tell me I lost a step Criss-crossed in the wrong direction**

**F C G**  
**Found myself in a conversation, From a missed connection**

**Am C**  
**Standing there in a purple dress, Point my eyes in the right direction**

**F C**  
**Find myself in a conversation, From a missed connection**

**[Post-Chorus]**

**Am, C / Dm C / F C / G**

La la la la. ....

From a missed connection

**Am, C, G, F**

**Am C G F**

I lost myself in this maze, Yes it haunts me  
Felt it slipping sideways, Yes it haunts me

**Am**

But I see it and I feel it in my soul  
Is there something I'm missing?  
Should I follow this where ever it goes?

**C G**

I will always come through

**F**

I will always come through

**Am, C, Dm, C,**

**[Chorus]**

**[Bridge]**

**Am**

Only as alone as I want to be, Passing all the people standing on the street,  
The fallen fruit of a family tree, A crystal ball and the odyssey,

**Am C**

Did you find whatever you were looking for?

**F C**

Had to open every single door

**F**

I get the feeling you've been here before

N.C.

From a missed connection

**[Chorus]**

**Am C**

**[Post-Chorus]**

**Am C**

And they're falling to see it

**Dm C**

We'd be fools to waste it but we can

**F C G**

Falling to feel the heat again

**G**

From a missed connection
