

The Revivalists - I wish I knew you (Album: Men Amongst Mountains (2016))

!!! Capo: 1st fret !!!

Bm, Bm, Bm, A - E

You shine like a star, You know who you are

You're everything beautiful

She's hot, hot like the sun, The loneliest one

Still everything beautiful

Well I'll be god damned, You're standing at my door

We stayed up in the city, Until the stars lost the war

So Friday night, Holy Ghost, Take me to your level

Show me the one I need the most, I need the most

Bm

Em

I wish I knew you when I was young

D F#m

We could've got so high

Now we're here it's been so long

Two strangers in the bright lights

Oh and I hope you don't mind

We can share my mood

Two strangers in the bright lights

A

I wish I knew you, I wish I knew you

Bm

Oh I wish I knew you when I was young

Truth, it's all that you need, You bury that seed

It's everything beautiful

That sound comes from the underground, It's all inside you now

It's everything beautiful

But what-cha what-cha wha-cha wha-cha running from?

And they got- they got- they got- they got you on the run?

So Friday night, Holy Ghost, Take me to your level

Show me the one I need the most, I need the most

[Chorus]

Bm

A

Maybe we can share my mood

Whoa, whoa, whoa [x3]

[Chorus]
