

**The Weeknd - Can't Feel My Face** (Album: Beauty Behind the Madness (2015))

**[ G | F | Am | Am ] (repeat Chords for song)**

And I know she'll be the death of me,  
at least we'll both be numb

And she'll always get the best of me, the worst is yet to come  
But at least we'll both be beautiful and stay forever young  
This I know, (yeah) this I know

**She told me, "Don't worry about it'  
She told me, "Don't worry no more'  
We both knew we can't go without it  
She told me you'll never be in love oh oh ooh**

**C: I can't feel my face when I'm with you,  
but I love it, but I love it [x2]**

And I know she'll be the death of me,  
at least we'll both be numb

And she'll always get the best of me, the worst is yet to come  
All the misery was necessary when we're deep in love  
This I know, yes I know, and I know
