

Jack Johnson - Bubble Toes (Album: Brushfire Fairytales (2001))

[G | G | C | D] (repeat Chords for song)

**C: It's as simple as something that nobody knows
That her eyes are as big as her bubbly toes
on the feet of a queen of the hearts of the cards
And her feet are all covered with tar balls and scars**

It's as common as something that nobody knows
That her beauty will follow wherever she goes
up the hill in the back of her house in the wood
she love me forever, I know she could

I remember when you and me, mmm how we used to be just good friends
Wouldn't give me none But all I wanted was some
She's got a whole lot of reasons
She cant think of a single one That can justify leaving
and he got none but he thinks he got so many problems
Man he got, too much time to waste

His dreams are like commercials
But her dreams are picture perfect and
Our dreams are so related though they're often underestimated

[chorus] la, da, da

Well I was eating lunch at the D. L. G.
When this little girl came and she sat next to me
I never seen nobody move the way she did
Well she did and she does and she'll do it again

When you move like a jellyfish, Rhythm don't mean nothing
You go with the flow You don't stop
Move like a jellyfish, Rhythm is nothing
You go with the flow You don't stop

It's as common as something that nobody knows it
Her beauty will follow wherever she goes
Up the hill in the back of her house in the wood
She'll love me forever, I know she

(x2) If you would only listen
You might just realize what you're missing, You're missing me

[chorus] la, da, da
