I know she said its alright,  But you can make it up next time
I know she knows its not right,  There ain't no use in lying
Maybe she thinks I know something,   Maybe, maybe she thinks its fine
Maybe she knows something I don't I'm so, I'm so tired, tired of trying

**It seems to me that maybe, It pretty much always means no**
**So don't tell me, you might just let it go**
**And often times were lazy,  It seems to stand in my way**
**Cause no one, no not no one likes to be left down**

I know she loves the sunrise
 No longer sees it with her sleeping eyes
 And I know that when she said she's gonna try
 Well it might not work because of other ties
And I know she usually has some other ties
 And I wouldn't want to break 'em, nah, I wouldn't want to break 'em
 Maybe she'll help me to untie this but
 Until then well, I'm gonna have to lie to you
**[Chorus x 1.5]**

The harder that you try baby the further you'll fall
  Even with all your money in the whole wide world
  Please please please … don't pass me by,
Everything you know about me now baby you gonna have to change
  You goin' to call it by a brand new name
  Please please please … don't drag me down,
Just like your tree down by the water baby I shall not move
  Even after all your silly things you do
  Please please please … don't drag me down
