

Jack Johnson - If I Had Eyes (Album: Sleep Through the Static (2008))

D A G Em (x2)

If I had eyes in the back of my head, I would have told you that
You looked good as I walked away

And if you could have tried to trust the hand that fed
You would've never been hungry but you'll never really be-ee

D A
The more of this or less of this or is there any difference
G Em A
or are we just holding onto things that we don't have anymore

Chorus:

D Em G D
Sometimes time doesn't heal No not at all

D Em G D
Just stand still While we fall

D Em G D D Em
In or out of love again I doubt I'm gonna win you back

G D
When you got eyes like that
When you got eyes like that

A Am-A Am-A Am-A D
It won't let me in Always lookin out

D A G Em (G)

D A
Lot of people spend their time just floating

G Em
We were victims together but lonely

D A
You got hungry eyes that just can't look forward

G Em
Can't give them enough but we just can't start over

D A
Building with bent nails we're falling but holding

G Em A
I don't wanna take up anymore of your time ...time time time

[Chorus]

D A G Em
oooooh oooohhhhh ooh ooh ooooh ooh

... Always lookin' (...out) (x4)
