**You're way too beautiful girl, That's why it'll never work**
**You'll have me suicidal, suicidal, When you say its over**
**Damn, all these beautiful girls, They only want to do your dirt**
**They'll have you suicidal, suicidal, When they say its over**

See it started at the park, used to chill after dark
Oh when you took my heart, That's when we fell apart
cause we both thought, that love lasts forever (lasts forever)
   They say we're too young, to get ourselves sprung
   Ooh we didn't care we made it very clear
   And they also said that we couldn't last together (last together)

*P-C:  See it's very define, you're one of a kind*
*        But you MASH up my mind, you walk to get declined*
*        Oh lord, my baby you're driving me crazy*
**[CHORUS]**

It was back in '99, Watching movies all the time
Oh when I went away for doing my first crime and
I never thought that we was gonna see each other (see each other)
   And then I came out, Mama moved me down south
   Oh I'm with my girl, Who I thought was my world
   It came out to be that she wasn't the girl for me (girl for me)
**[PRE-CHORUS]**
**[CHORUS]**

*Now we are fussing and now we are fighting*
*Please tell me why I'm feeling slighted*
*And I don't know how to make it better (make it better)*
   You're dating other guys, you're telling me lies
   Oh I can't believe what I'm seeing with my eyes
   I'm loosing my mind and I don't think its clever (think its clever)
**[CHORUS]**

# Ben E. King - Stand By Me

When the night has come and the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

**{Refrain}**
**Darling, darling, stand by me**
**Oh, stand by me**
**Stand by me, stand by me**

If the sky that we look upon should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me
**{Refrain}**

Whenever you're in trouble won't you stand by me
Oh now stand by me, oh stand by me, stand by me
**{Refrain}**
