

Moby - Extreme Ways (Album: 18 (2002))

[**Bm** | **A** | **Em** | **Bm**] (verse *Chords for song*)

Extreme ways are back again, Extreme places I didn't know
I broke everything new again, Everything that I'd owned
I threw it out the windows, came along, Extreme ways I know apart
The colors of my sea, Perfect color me

Extreme ways that help me, That help me out late at night
Extreme places I had gone, But never seen any light
Dirty basements, dirty noise, Dirty places coming through
Extreme worlds alone, Did you ever like it planned

Em **D**
I would stand in line for this

Em **D**
There's always room in life for this

Bm **A**
Oh baby, oh baby, Then it fell apart, fell apart

Em **Bm**
Oh baby, oh baby, Then it fell apart, it fell apart
Oh baby, oh baby, Then it fell apart, fell apart
Oh baby, oh baby, Like it always does, always does

Extreme songs that told me, They helped me down every night
I didn't have much to say, I didn't get above the light
I closed my eyes & closed myself, & closed my world & never opened
Up to anything, That could get me along

I had to close down everything, I had to close down my mind
Too many things to cover me, Too much can make me blind
I've seen so much in so many places, So many heartaches, so many faces
So many dirty things, You couldn't even believe

[repeat Pre-Chorus & Chorus]
