[C | Em | F | Em] (repeat Chords for song)

I backed my car into a cop car the other day
Well he just drove off sometimes life's ok
I ran my mouth off a bit too much oh what can i say
Well you just laughed it off it was all ok

**And we'll all float on ok, And we'll all float on ok
And we'll all float on ok, And we'll all float on any way well**

Well, a fake Jamaican took every last dime with a scam
It was worth it just to learn from sleight-of-hand
Bad news comes don't you worry even when it lands
Good news will work its way to all them plans
We both got fired on the exactly the same day
Well we'll float on good news is on the way

[chorus]

Already we'll all float on , Now don't worry we'll all float on
Alright already we'll all float on, Alright don't worry we'll all float on

And we'll all float on alright, Already we'll all float on, Alright
Don't worry even if things end up a bit to heavy
we'll all float on alright

Already we'll all float on, Alright already we'll all float on
Ok don't worry we'll all float on
Even if things get heavy we'll all float on
Alright already we'll all float on
Don't you worry we'll all float on, All float on
