

Pixies - Here Comes Your Man (album Doolittle (1988))

D, A, Em, G

Outside there's a box car waiting, Outside the family stew
Out by the fire breathing, Outside we wait 'til face turns blue.
I know the nervous walking, I know the dirty beard hangs
Out by the box car waiting, Take me away to nowhere plains.

There is a wait so long, you'll never wait so long

Here comes your man [x3]

Big shake on the box car moving,
Big shake to the land that's falling down,
Is a wind makes a palm stop blowing,
a big, big stone fall and break my crown.
