

Tom Petty - You Don't Know How it Feels (Album: Wildflowers (1994))

Verse: E, A

Let me run with you tonight,
I'll take you on a moonlight ride
There's someone I used to see,
but she don't give a damn for me

Ch (1): E B E A
So let's get to the point, let's roll another joint
Turn the radio loud, I'm too alone to be proud
E D A
You don't know how it feels
E D A E A
You don't know how it feels...to be me

People come, people go, some grow young, some grow cold
I woke up in between, a memory and a dream

Ch (2):
So let's get to the point, let's roll another joint
Let's head on down the road, to somewhere I gotta go
You don't know how it feels
You don't know how it feels
No you don't know how it feels...to be me

My old man, was born to rock,
but he's still tryin' to beat the clock
Think of me, what you,
I've got a little space to fill

[Chorus (2) x 2]
