E5

You don't know how you took it, You just know what you got
Oh honey you been stealing from the thieves, And you got caught

E5 A5 G5, G5 E5

In the headlights, of a stretch car, You're a star

Dressing like your sister, Living like a tart
They don't know what you're doing, Babe it must be art
You're a headache, in a suitcase, You're a star...

A5 G5, A5 G5

Our love lights shine, You don't have to go blind

A5 G5 A5 G5 E5

Hold me, thrill me, kiss me, kill me...

You don't know how you got here, You just know you want out
Believing in yourself, almost as much as you doubt
You're a big smash, you wear it like a rash, You're a star

[Chorus]

[Break]-[Main Riff]

They want you to be Jesus, Now get down on one knee
But they want their money back if you're alive at 33
And you're turning tricks, with your crucifix, You're a star, yes you are

[Chorus]

[Break]-[Main Riff]

[Chorus Solo]

(Repeat 3x)

(Play 4th time)
