

U2 - Stuck In A Moment (Album: All That You Can't Leave Behind (2000))

[E, E/G#, A, E/G# ; B, C#m, A, E] /or: G#, C#m, A, E]

I'm not afraid, Of anything in this world

There's nothing you can throw at me, That I haven't already heard

I'm just trying to find, A decent melody

A song that I can sing, In my own company

I never thought you were a fool,

But darling look at you

C#m

A

C#m

You gotta stand up straight, Carry your own weight

These tears are going [B] nowhere baby

You've got to get yourself together

You've got stuck in a moment & now you can't get out of it

Don't say that later will be better

Now you're stuck in a moment & now you can't get out of it

I will not forsake, The colors that you bring

The nights you filled with fireworks, They left you with nothing

I am still enchanted, By the light you brought to me

I listen through your ears, Through your eyes I can see

And you are such a fool, To worry like you do

I know it's tough, And you can never get enough

Of what you don't really [B] need now, my, oh my

[[CHORUS]]

[F#m] I was unconscious, half asleep

[A] The water is warm till you discover how deep [E]

[F#m] I wasn't jumping, for me it was a fall

[A] It's a long way down to nothing at all [D] [B]

[[CHORUS]]

And if the night runs over, And if the day won't last

And if our way should falter, Along the stony path [x2]

It's just a moment, This time will pass
