

**WALK THE MOON - Shut Up & Dance** (Album: TALKING IS HARD (2014))

**!!! Capo: 6th fret !!! [ 128 bpm ] KEY: C#**

**[ G | C | Em | D ] (repeat Chords for song)**

**Oh don't you dare look back,  
Just keep your eyes on me  
I said "You're holding back",  
She said "Shut up & dance with me"  
This woman is my destiny  
She said "Ooooooh, shut up & dance with me"**

We were victims of the night  
A chemical, physical, kryptonite  
Helpless to the bass and fading light  
Oh we were born to get together, Born to get together  
**She took my heart, I don't know how it happened  
We took the floor And she said  
[chorus]**

A backless dress and some knee-up sneaks  
My discotheque, Juliet, teenage dream  
I felt it in my chest since she looked at me  
I knew we were born to be together, Born to be together  
**She took my heart, I don't know how it happened  
We took the floor And she said  
[chorus]**

**Deep in her eyes, I think I see the future I realize  
This is my last chance  
She took my arm, I don't know how it happened  
We took the floor And she said  
[chorus x 2]  
"Ooooooh, shut up and dance with me"**
