

Bob Dylan - Blowin' In The Wind (Album: The Freewheelin' Bob Dylan (1963))

D G D
How many roads must a man walk down,

G A
before you can call him a man?

D G D
How many seas must a white dove sail,

Em A7
before she sleeps in the sand?

D G D
Yes, and how many times must the cannon balls fly,

G A
before they're forever banned?

C: Em A7 D Bm
The answer, my friend, is blowin' in the wind

G A7 D
The answer is blowing in the wind.

D G D
Yes, and how many times must a man look up,

G A
before he can see in the sky?

D G D
Yes, and how many ears must one man have,

Em A7
before he can hear people cry?

D G D
Yes, and how many deaths will it take 'til he knows

G A
that too many people have died? **[Chorus]**

D G D
Yes, and how many years can a mountain exist,

G A
before it's washed to the sea?

D G D
Yes, and how many years can some people exist,

Em A7
before they're allowed to be free?

D G D
Yes, and how many times can a man turn his head,

G A
pretending he just doesn't see? **[Chorus]**
