[Intro]

Last night we let the liquor talk I can't remember everything we said, but we said it all You told me that you wish I was somebody you never met But baby, baby, something's tellin' me this ain't over yet

No way it was our last night, I kiss your lips
Make you grip the sheets with your fingertips
Last bottle of Jack, we split a fifth
Just talk about life goin' sip for sip, yeah
You, you know you love to fight, & I say things, I don't mean
But I'm still gon' wake up wantin' you and me.... I know that
[Chorus]

No way it was our last night (last night, last night) (x2)

No way it was the last night, that we break up, I see your tail lights in the dust You call your momma, I call your bluff In the middle of the night, pull it right back up Yeah, my, my friends say, "Let her go" Your friends say, "What the hell?" I wouldn't trade your kind of love for nothin' else.... Oh, baby, [Chorus]

No way it was our last night, we said we'd had enough I can't remember everything we said, but we said too much I know you packed up & slammed the door right before you left But baby, baby, something's tellin' me this ain't over yet No way it was our last night (last night, last night) (x2)

I know you said this time you really weren't coming back again But baby, baby, something's tellin' me this ain't over yet No way it was our last night (last night, last night) (x2)
