

The Rolling Stones - Paint It Black (Album: Aftermath (1966))

Em G D

I see a red door and I want it painted black
no colors anymore, I want them to turn black

Em D G D Em

I see the girls walk by dressed in their summer clothes

Em D G D A B

I have to turn my head until my darkness goes

I see a line of cars and they are painted black
with flowers and my love both never to come back

Em D G D Em

I see people turn their heads and quickly look away

Em D G D A B

like a new born baby it just happens every day

I look inside myself and see my heart is black

I see my red door and it's heading into black

**maybe then I'll fade away and not have to face the facts
it's not easy facing up when your whole world is black**

No more will my green sea go turn a deeper blue

I could not foresee this thing happening to you

If I look hard enough into the setting sun

my love will laugh with me before the morning comes

I wanna see it painted, painted black, oh
black as night, black as coal

I wanna see the sun blotted out from the sky
painted, painted, painted black oh baby
painted painted, painted black
