

**Howie Day - Collide** (Album: Stop All the World Now (2003))

**!!! Capo: 4th fret !!!**

**[ G | G/F# | Em | C ]** (repeat *Chords for song*)

The dawn is breaking, A light shining through  
You're barely waking, And I'm tangled up in you, Yeah

I'm open, you're closed, Where I follow, you'll go  
I worry I won't see your face, Light up again

**Even the best fall down sometimes  
Even the wrong words seem to rhyme  
Out of the doubt that fills my mind  
I somehow find, You and I collide**

I'm quiet you know, You make a first impression  
I've found I'm scared to know I'm always on your mind

**Even the best fall down sometimes  
Even the stars refuse to shine  
Out of the back you fall in time  
I somehow find, You and I collide**

***Em, G/F#, C***

***Don't stop here,***

***Em, G/F#, C***

***I lost my place***

***Em, G/F#, C***

***I'm close behind***
