

## O.A.R. - Crazy Game of Poker (Album: The Wanderer (1997))

[ C | G | Am | F ] (repeat Chords for song)

oh my...

My twenty thrown down in my fist of rage

And the man to my left folded down

Well Johnny doubled up with a Royal Flush

I had three jacks and a pair of nines

My mind is turning just two shots more

There's not much left to play

Then dude walks in Black hat on top, what a mop

I'm lucky it wasn't a county cop, cause I'm just running out of time

Who's up for game two, what to do?

My wallets getting thin and I just lost my watch last night

I got a problem, just one answer got to throw it all down

And kiss that goodbye

**That was a crazy game of poker , (that was a crazy game of poker), I lost it all,**

**But someday I'll be back again, & I never to fold. Never to fold.**

Who's up for game three?

I can barely see the bourbon drowning next to me , I just lost it all

Well there's a man sitting next to me , Red with smiling eyes

It's funny I don't have no money tonight. yeah...

**That was a crazy game of poker , I lost it all**

**But someday I'll be back again , & I never to fall. Never to fall.**

bada....

I say now skitili dat dat dat, well how bout that

I'm coming out the front, never coming out the back

And I walked into this bar yesterday

Cause I had something to do, something to say

And Johnny walked in right behind me and I didn't turn around

Until I heard the sound of his feet falling

On the ground, I looked over my shoulder And I saw a clown

And I said whatcha doing in the bar tonight?

Well I said Johnny whatcha doing tonight?

He looked at me with a face full of fright

And I said how about a revolution? And he said right.

**I say of, you say I, I say revolution, and you say jah (2x)**

And I said whatcha looking at?  
He hit me across the face with a bat.  
So I grabbed my .45 and I said let's get out and go  
so he opened the door, and said "whatcha here for?"  
I said I'm wanderin' down the road 44  
And I said I've been walking for about a thousand years  
And my feet are growing tired, My eyes a little wired  
Don't know what to do unless I retire  
And he just said let's play some crazy poker  
So I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said how about a revolution? And he said right.

**I say of, you say I, I say revolution, and you say jah (2x)**

**I said that was the craziest game of poker that I ever saw (2x)**

But I'm not gonna quit and I'm not gonna stop  
I don't give a s\*\* cause I got the drop  
Johnny just got two eyes just like mine  
And I'm feeling kind of funky, kinda fine  
And I drank a bottle of whiskey before I came  
Came to the bar to see what's the same  
I saw my man named Johnny sitting across the table from me  
And to my left was a man he had no chin  
I didn't really think about starting a sin  
The man to my right, wasn't feeling kinda nice  
He looked kinda mad and I felt bad  
Because I took his money last night  
It's kinda funny, Now I'm just struggling, I need a honey bunny  
I don't know what to say anymore  
So I'm just going to go out anywho

I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said how about a revolution?  
And he said right.

**I say of, you say I, I say revolution, and you say jah (2x)**
