

O.A.R. - Shattered (Album: All Sides (2008))

B- Bb- G#m- F# | E- F#- B- B

In a way, I need a change from this burnout scene
Another time, another town another everything, But it's always back to you

Stumble out, in the night from the pouring rain
Made the block, sat & thought there's more I need, It's always back to you

E- B- E- B- F#

But I'm good without ya, Yeah, I'm good without you, Yeah, yeah, yeah

B- Bb- G#m- F# | E- F#- B- B

**How many times can I break till I shatter
Over the line can't define what I'm after
I always, turn the car around
Give me a break let me make my own pattern
All that it takes is some time but I'm shattered
I always, turn the car around**

B-Bb-G#m-F#-E-F#

I had no idea that the night would take so damn long
Took it out, on the street while the rain still falls, Push me back to you

[PRE CHORUS]

[CHORUS]

E- B- E- B- F#

Give it up, give it up, baby, Give it up, give it up, now Now

How many times can I break till shatter
Over the line can't define what I'm after
I always turn the car around
**All that I feel is the realness I'm faking
Taking my time but it's time that I'm wasting
Always turn the car around**

[CHORUS]

turn the car around (x3)
