

**Pink Floyd - Learning to Fly** (Album: A Momentary Lapse of Reason (1987))

**[ G - - - | Em - - D ] (repeat Chords for verse)**

Into the distance, a ribbon of black  
Stretched to the point of no turning back  
A flight of fancy on a windswept field  
Standing alone my senses reel  
A fatal attraction is holding me fast  
How can I escape this irresistible grasp

**{Refrain}**

**/ C - Am - / F - C, D, G - /**

**Can't keep my eyes from the circling skies  
Tongue-tied and twisted, Just an earth-bound misfit, I**

Ice is forming on the tips of my wings  
Unheeded warnings, I thought I thought of everything  
No navigator to find my way home  
Unladen, empty and turned to stone

**/ C - Am - / F - C - /**

**A soul in tension that's learning to fly (my whole intention)  
Condition grounded but determined to try**

**{Refrain}**

Above the planet on a wing and a prayer  
My grubby halo, a vapor trail in the empty air  
Across the clouds I see my shadow fly  
Out of the corner of my watering eye  
A dream unthreatened by the morning light  
Could blow this soul right through the roof of the night

**/ C - Am - / F - C - /**

**There's no sensation to compare with this  
Suspended animation, a state of bliss**

**{Refrain}**
