

Little Big Town - Day Drinking (Album: Pain Killer (2014))

[E, E, E, C#m A E]

Everybody's always waiting on Friday
Watching that clock and sitting on go
Whatcha' say we find a little warm sunshine

C#m A E

An open umbrella on the patio
I don't need a reason or a happy hour
Ain't hanging around for a fireworks show
Get a head start a little sip of somethin'

C#m A E, E

Off and running here we go, 1,2,3, here we go

[E] Don't want to wait 'til [B] the sun's sinking

[E] We could be feeling [A] alright

[E] I know you know what [B] I'm thinking

C#m A E

Why don't we do a little day drinking

[E-A, E-B, E-A, C#m A E]

Why don't we do a little day drinking

|E |E |

Blame it on the work day, Blame it on the heatwave
Blame it on the tick-tock moving too slow
Blame it on any old thing you want to

C#m A E, E

Ready get set, baby here we go [CHORUS]

|A |A |E |E | {day drinking; day drinking}

|B |B |B |B | {day drinking; day drinking}

[E, E, E, C#m A E]

Why don't we do a little day drinking

[CHORUS]
