

Manchester Orchestra - I've Got Friends

(Album: Mean Everything to Nothing (2009))

[tuned down half step]

[E]

Dirt in the ground is what I need

I got another one to tell you

and another one to make you believe **{Am}**

[E]

pity in the grass tried to be

the one you needed when I told you

that you wanted something bigger than me **{Am}**

[C] I've got friends in all the right places

I know what they want & I know they don't want me to stay [G] {x2}

'Cause you are not alive **[Am]**, When I need you **[C]**,

I need it quickly **[E]**, In case you never know **[C, Am, E...]**

[E] I can't play where I'm not supposed to **[Am]** anyway

[E]

Dirt in the ground is what I see

I need another reason why

I need another reason, tell me to breathe **{Am}**

[E]

the dirtier the sound, the best I breathe

I tried to do it all for you

it didn't do anything for me **{Am}**

[chorus]

& you and I will find **[Am]**, that when I need you **[C]**,

I need it quickly **[E]**, in fact, you'll never know **[C, Am, E...]**

[chorus]
