

**OneRepublic - "All the Right Moves" [ Album: Waking Up (2009) ]**

**[ Am | G | C | F ] (repeat Chords for song)**

**[chorus, 1<sup>st</sup> lines]**

Let's paint the picture, of the perfect place  
They got it better than what anyone's told you  
There'll be the king of hearts, and you're the queen of spades  
And we'll fight for you like we were your soldiers  
I know we got it good, but they got it made  
And the grass is getting greener each day  
I know things are looking up, but soon they'll take us down  
Before anybody's knowin' our name

**They got all the right friends in all the right places  
So yeah, we're going down  
They got all the right moves in all the right places  
So yeah, we're going down  
Said everybody knows, everybody knows where we're going  
Yeah, we're going down  
Said everybody knows, everybody knows where we're going  
Yeah, we're going down**

Do you think I'm special, do you think I'm nice  
Am I bright enough to shine in your spaces  
Between the noise you hear, and the sound you like  
Are we just sinking in the ocean of faces  
It can't be possible, the rain can fall  
Only when it's over our heads  
The sun is shining every day, but it's far away  
Over the world they said, they got  
**[chorus]**

It don't matter what you see, I know I could never be  
Someone that'll look like you,  
It don't matter what you say, I know I could never face,  
Someone that can sound like you,  
**[chorus]**

Yeah, we're going down [x2]  
**All the right moves, hey, Yeah, we're going down [x2]**
