

OneRepublic - Counting Stars [Album: Native (2013)]

!!! Capo: 4th fret !!! [122 bpm] **KEY: C# Minor**

[C#m | E | B | A] (*repeat Chords for song*)

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard,
Said no more counting dollars
We'll be counting stars, yeah we'll be counting stars
I see this life like a swinging vine
Swing my heart across the line
In my face is flashing signs
Seek it out and ye shall find

*Old, but I'm not that old
Young, but I'm not that bold
I don't think the world is sold
I'm just doing what we're told*

*I feel something so right, Doing the wrong thing
I feel something so wrong, Doing the right thing
I could lie, could lie, could lie
Everything that kills me makes me feel alive
(Everything that downs me, makes me wanna fly)*

**Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard,
Said no more counting dollars
We'll be counting stars [x2], We'll be, we'll be counting stars**

I feel your love and I feel it burn, Down this river, every turn
Hope is a four-letter word, Make that money, watch it burn

[verse 2]

[chorus x 2]

Take that money, Watch it burn

Sink in the river, The lessons are learnt [x 4]

Everything that kills me... makes me feel alive

[chorus x 2]

Take that money, Watch it burn

Sink in the river, The lessons are learnt [x 4]
