

OneRepublic - Good Life [Album: Waking Up (2009)]

!!! Capo: 6th fret !!!

[C | F | Am | G] (repeat Chords for song)

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers that I don't know
Addressed to places like Abbey Road
Take turns tonight, night turns to whatever we want
Were young enough to say

**Ch: Ohhh this is gotta be a good life
this is gotta be a good life
This could really be a good life, good life
Say ohhh got this feeling that you can't fight
Like this city is on fire tonight
Ohhh this could be a good life
Good good life ohhhh ohhh ohhhh ohhh**

*To my friends in New York I say hello
My friends in LA they don't know
Where I've been for the past few years or so
Paris, to China to Colorado
Sometimes there's airplanes I can't jump out
Sometimes there's bullshit that don't work now
We out of stories but please tell me
What's there to complain about?*

When you're happy like a fool, Let it take you over
When everything is out, You gotta take it in

[Chorus]

Hopelessly I feel like there might be something that I missed
Hopelessly I feel like the window closes so so quick
Hopelessly I'm taking a mental picture of you now
cuz hopelessly to the hopeless we have something to feel good about.

[Chorus]

[repeat first part of 2nd verse]
