!!! Capo: 2nd fret !!!

[C | G | F | G] (repeat Chords for verse)

Life's too short to even care at all oh
I'm losing my mind losing my mind losing control
These fishes in the sea they're staring at me oh oh oh oh
A wet world aches for a beat of a drum Oh

Am

If I could find a way to see this straight

G F Am G
I'd run away, To some fortune that I should have found by now,
F Am G

I'm waiting for this cough syrup to come down

Life's too short to even care at all oh
I'm coming up now coming up now out of the blue oh
These zombies in the park they're looking for my heart oh oh oh oh
A dark world aches for a splash of the sun oh oh

Am

If I could find a way to see this straight

G F Am G
I'd run away, To some fortune that I, I should have found by now
Am

And so I run to the things they said could restore me

G
Restore life the way it should be
F Am G

I'm waiting for this cough syrup to come down

Life's too short to even care at all oh
I'm losing my mind losing my mind losing control
