

Harvey Danger - Flagpole Sitta Album: Where Have All the Merrymakers Gone? (1997)

[D, Am, C, D]

I had visions, I was in them, I was looking into the mirror
To see a little bit clearer, the rottenness and evil in me,
Finger tips, Have memory's, Mine can't forget the curves of your body,
And when I feel a bit naughty, I run it up the flag pole and see,
Who salutes but no one ever does,

**I'm not sick but I'm not well,
And I'm so hot, Cause I'm in hell....**

Been around the world and found that only stupid people are breeding,
The cretins cloning and feeding, And I don't even own a TV,
Put me in the hospital for nerves and then they had to commit me.
You told them all I was crazy, They cut off my legs now I'm an amputee,
damn you

**I'm not sick but I'm not well, and I'm so hot, cause I'm in hell
I'm not sick but I'm not well, and it's a sin, to live so well**

BRIDGE [A, G, F, D/F#]

**I wanna publish 'zines, and rage against machines
I wanna pierce my tongue, it doesn't hurt, it feels fine
The trivial sublime, I'd like to turn off time
aand kill my mind, [D7 - D/F#] you kill my mind [D7 - D/F#]**

Paranoia Paranoia everybody's comin to get me, Just say you never met me,
I'm running underground with the moles, Digging holes,
Hear the voices in my head, I swear to god it sounds like their snoring,
But if you're bored then you're boring, The agony and the irony it's killing me!

[chorus]
