

**Modern English - I Melt With You** Album: After the Snow (1982)

[C , F ] [capo3: A , D ]

Moving forward using all my breath  
Making love to you was never second best  
I saw the world thrashing all around your face  
Never really knowing it was always mesh and lace

**I'll stop the world and melt with you**  
**You've seen the difference & it's getting better all the time**  
**There's nothing you and I won't do**  
**I'll stop the world and melt with you**

Dream of better lives the kind which never hate  
Dropped in the state of imaginary grace  
I made a pilgrimage to save this humans race  
What I'm comprehending a race that long gone bye
