

Artist: Nine Inch Nails- Hurt (Album: The Downward Spiral (1994))
(Johnny Cash version: [Bm | Bm | D | E7] repeated)

I hurt myself today, To see if I still feel
I focus on the pain, The only thing that's real
The needle tears a hole, The old familiar sting
Try to kill it all away But I remember everything

[A | Bm | G | D]

**What have I become? My sweetest friend
Everyone I know, Goes away in the end
You could have it all, My empire of dirt
I will let you down, I will make you hurt**

I wear this crown of shit, Upon my liar's chair
Full of broken thoughts, I cannot repair
Beneath the stain of time, The feeling disappears
You are someone else, I am still right here

[CHORUS]

If I could start again, A million miles away

C G A

I would keep myself, I would find a way
