

**Semisonic - Closing Time** (Album: Feeling Strangely Fine) (1998)

**[G, D, Am, C]** (repeat Chords for song)

Closing time - time for you to go out,  
go out into the world.

Closing time - turn the lights up  
over every boy and every girl.

Closing time - one last call for alcohol,  
so finish your whiskey or beer.

Closing time - you don't have to go home  
but you can't stay here.

**C: I know who I want to take me home. (x3)**  
**Take me home...**

Closing time - time for you to go back  
to the places you will be from.

Closing time - this room won't be open  
'til your brothers or your sisters come.

So gather up your jackets, and move it to the exits –  
I hope you have found a friend.

Closing time - every new beginning  
comes from some other beginning's end.

**[CHORUS]**

**Bridge: [Bb, G]**

Closing time - time for you to go back to the places you will  
be from...

**[CHORUS]**

Closing time - every new beginning comes from some other  
beginning's end...
