

Spin Doctors - Little Miss Can't be Wrong [Album: Up for Grabs...Live (1991)]

[G | G | D | C] (repeat Chords for song)

Been a whole lot easier since the bitch left town,
Been a whole lot happier without her face around
Nobody upstairs gonna stomp and shout
Nobody at the back door throwin' my laundry out
She holds the shotgun while you dote-se-do
She want one man made of Hercules and Cyrano
Been a whole lot easier since the bitch is gone,
Little miss little miss little miss can't be wrong

**Little miss little miss little miss can't be wrong
Ain't nobody gonna bow no more when you sound your gong
Little miss little miss little miss can't be wrong
What you gonna do to get into another
one of these here Rock & Roll songs**

Break: (repeat 8 times, then:) [G, G, A#, C]x8

Other people's songs they ain't your hand-me-downs
Would it be so bad if you simply turned around
You cook so well, all nice & French
You do your brain surgery too Momma, wit yo monkey wrench
{CHORUS}, [BREAK]

I hope them cigarettes are gonna make you cough
I hope you hear this song, and it pisses you off
I take that back I hope you're doin fine
And if I had a dollar, I might give you ninety-nine
{CHORUS}
