

Third Eye Blind - How's It Going To Be Album: Third Eye Blind (1997)

!!! Capo: 3rd fret !!!

[D, D - A, G, G]

I'm only pretty sure that I can't take anymore. Before you
take a swing, I wonder what are we fighting
for. When I say out loud, I want to get out of this, I wonder
Is there anything I'm gonna miss, I wonder

**[Em] How's it gonna be, [A] when you don't know me,
[Em] How's it gonna be, [G] when you're sure I'm not there,
[Em] How's it gonna be, [A] when there's no one there to talk to,
[Em] Between you and me, [G] 'cause I don't care, How's it gonna ... be...**

Where we used to laugh, there's a shouting match. Sharp as a thumbnail
scratch. A silence I can't ignore. Like the hammock by the doorway
we spent time in, swing's empty. I don't see lightning like last fall,
when it was always about to hit me, I wonder

[Chorus] ... be... [D, D - A, G, G]

[distortion Chorus]:

Em G D A, D A G

How's it gonna be when you don't know me anymore, How's it gonna be

[D, D - A, G, G]

Wanna kill myself like he did, the salt of love dreary air

I wanna taste the salt of your skin, the salt of the bloomy air .. oblivion...

Em G D A, D A G

How's it gonna be when you don't know me anymore, How's it gonna be
