

Eddie Vedder - All The Way Album: All the Way (2008)

[Capo: 3rd Fret]

Intro: **G D G Cadd9 G D G**

G **Cadd9** **G**
Don't let anyone say that it's just a game
G **D** **G**
For I've seen other teams and it's never the same.
G **Cadd9** **G**
When you're born in Chicago, you're blessed and you're healed
G **D** **G**
The first time you walk into Wrigley Field
Cadd9 **G**
Our heroes wear pinstripes, heroes in blue
Cadd9 **G**
Give us a chance to feel like heroes too
Cadd9 **G**
Whether we'll win or if we should lose, we know

G **D** **G** **Cadd9**
Someday we'll go all the way, yeah
G **D** **G**
Someday we'll go all the way

G **Cadd9** **G**
We are one with the Cubs, with the Cubs we're in love
G **D** **G**
Yeah, hold our heads high as the underdogs
G **Cadd9** **G**
We are not fairweather but far weather fans
G **D** **G**
Like brothers in arms in the streets and the stands
Cadd9 **G**
There's magic in the ivy and the old scoreboard
Cadd9 **G**
The same one I stared at as a kid keeping score
Cadd9 **G**
In a world full of greed I could never want more, and

G **D** **G** **Cadd9**
Someday we'll go all the way, yeah
G **D** **G**
Someday we'll go all the way [repeat]

G **D** **G**
Someday we'll go all the way

G **Cadd9** **G**
And here's to the man and the legend we've known

G **D** **G**
Teaching us faith and giving us hope

G **Cadd9** **G**
United we stand and united we'll fall

G **D** **G**
Down onto our knees the day we win it all

Cadd9 **G**
Yeah, Ernie Banks said, "Oh, let's play two"

Cadd9 **G**
Oh, did he mean two hundred years

Cadd9 **G**
In the same ballpark, a diamond, our jewel

Cadd9 **G**
The home of our joy and our tears

Cadd9 **G**
Keeping traditions and wishes made new

Cadd9 **G**
A place where our grandfathers fathers they grew

Cadd9 **G**
A spiritual feeling if I ever knew

Cadd9 **G**
And if you ain't been I am sorry for you

Cadd9 **G**
And when the day comes when at last winning run

Cadd9 **G**
And I'm crying and covered in beer

Cadd9 **G**
I'll look to the sky and know I was right, to think

G **D** **G** **Cadd9**
Someday we'll go all the way, yeah

G **D** **G**
Someday we'll go all the way [repeat x 3]

G **D** **G**
Someday we'll go all the way
